RE: **DOCKET NO. 461A** - Eversource Energy Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 115-kilovolt (kV) bulk substation located at 290 Railroad Avenue, Greenwich, Connecticut, and two 115-kV transmission circuits extending approximately 2.3 miles between the proposed substation and the existing Cos Cob Substation, Greenwich, Connecticut, and related substation improvements.

Dear Ms. Shanley:

Pursuant to Regulations of Connecticut State Agencies §16-50j-62 (b) and in response to your correspondence dated May 27, 2020, the Connecticut Siting Council (Council) staff hereby approves a temporary change to the Development and Management (D&M) Plan to allow for a 6,800 square-foot expansion of the existing temporary laydown/storage area at the Bruce Museum, and an extension of time for continued use of the temporary laydown/storage area at the Bruce Museum until July 31, 2020. The staging area/laydown area may be accessed 24 hours a day, depending on the Project's approved day-or night-time construction activities.

This approval applies only to the temporary changes detailed in your correspondence dated May 27, 2020. Any additional changes to the D&M Plan require advance notification and approval in accordance with the Council's approval of the D&M Plan (Volume 2, Part 1) on January 17, 2019. Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to Regulations of Connecticut State Agencies Section 16-50j-62.

Please be advised that deviations from this plan are enforceable under the provisions of the Connecticut General Statutes § 16-50u.

Thank you for your attention and cooperation.

Sincerely,

s/Melanie Bachman
